TURNERS FALLS CANAL DISTRICT PLANNING

Turners Falls, MA
2016 December

UMass Design Center was hired in 2016 Fall semester by a 14-week Regional Planning graduate studio to help reviewing design ideas and creating plan views and perspective visuals that reflects the historic character of downtown Turners Falls. The goal of the studio is prepare a vision plan that focuses on improving the canal district in terms of planning, land-use, potential infrastructure, and branding.
